We are delighted to be hosting the first ever European Medical Association (EMA) conference alongside Acute & General Medicine on 21 -22 November 2017 at Excel London.

The EMA’s Annual Conference will display new trends which are shaping the future of medicine in Europe and around the world. Diagnostic breakthrough and ongoing advancement in knowledge of disease’s mechanisms and in therapy will be illustrated by world-class speakers’ dealing with advancements in the fields of predictive, preventive and personalized medicine, stem cells therapy, gastroenterology, infectious and malignant diseases, neurology and emergency medicine.
JOIN THE ACUTE & GENERAL MEDICINE INTERNATIONAL DELEGATE PROGRAMME

WHAT IS ACUTE & GENERAL MEDICINE?
Now in its 6th year, Acute & General Medicine 21-22 November, London Excel is the most comprehensive clinical training event in the UK dedicated to broadening your clinical knowledge across all of the core clinical specialties. The 2016 conference will once again deliver a hands-on training package, including ECG, Non-Invasive Ventilation and Ultrasound training.

Doctors with the following interests attend:
- Acute medicine
- Anaesthesia
- Cardiology
- Dermatology
- Diabetes & Endocrinology
- Emergency medicine
- Geriatric medicine/elderly medicine
- Haematology
- Immunology
- Infectious diseases
- Intensive/critical care
- Nephrology
- Neurology
- Oncology
- Palliative medicine
- Respiratory medicine
- Rheumatology
- Stroke

Acute & General Medicine attracts doctors from all different grades and clinical backgrounds, looking to broaden their clinical knowledge.

DELEGATES ATTEND FROM:
Plus 29 other countries across the world

90% OF DELEGATES RECOMMEND ATTENDING ACUTE & GENERAL MEDICINE:

"The presentations have been excellent and the hands on training sessions have been very useful and practical. This conference is very good for me - it will improve my clinical practice and will improve the teaching of my own students back home.

Dr Anwar Bari Acute Medical Consultant, Bangladesh"

"It covers everything you need to know and motivates you to keep updated. It's the best medical programme I have ever attended, that's why I have come back for the third time.

Specialty Doctor, University Hospital of Morecambe Bay NHS Trust"

"I have been coming to Acute & General Medicine since it started. I find it a brilliant way to get an overview of medicine and it's good to network with people across so many specialties.

Consultant Stroke Physician, Nottingham University Hospital NHS Trust"
